**Notice Regarding Differences Between Consolidated Financial Forecasts and Actual Results
for the Second Quarter of the Fiscal Year Ending December 31, 2026**

Livesense Inc. (the "Company") hereby announces that there are differences between its consolidated financial forecasts for the second quarter of the fiscal year ending December 31, 2026 (January 1, 2026 to June 30, 2026), announced on February 13, 2026, and the actual results announced today, as described below.

1. Differences between consolidated financial forecasts and actual results for the second quarter (cumulative) of the fiscal year ending December 31, 2026.

	Net sales	Operating income	Ordinary income	Interim profit attributable to owners of parent	Interim Net Income per Share
	millions of yen	millions of yen	millions of yen	millions of yen	yen
Previously announced forecast (A)	2,300	-200	-200	-210	-7.62
Revised forecast (B)	1,965	-171	-168	-178	-6.47
Amount of change (B-A)	-335	29	32	32	-
Percentage change (%)	-14.6	-	-	-	-
(Reference) Actual results for the previous period (Second quarter of the fiscal year ended Dec 31, 2025)	2,935	-211	-135	-211	-7.70

2. Reasons for the Differences

The differences from the consolidated financial forecasts are mainly due to a decrease in revenue from the part-time job portal "Machbaito."

For "Machbaito," the Company shifted its business policy to focus on highly profitable projects, promoting the modification of terms and reduction of transactions for low-profit projects. Although the modification of terms and reduction of transactions progressed as planned, the number of applications decreased more than expected, resulting in net sales falling short of the financial forecast.
